Georgia's DeKalb County Clerk First to Accept Credit Cards

New payment option eliminates hassle and brings convenience to citizens

DECATUR, GA – As of July 1, 2014, the DeKalb County Clerk's Office became the first County Clerk in the State of Georgia to accept credit and debit card payments from walk-in customers.

“We are constantly working to improve our services for citizens. By accepting credit cards we are providing better customer service and as a convenience to those citizens who rarely carry cash, and saving them the hassle of obtaining a cashier's check or money order,” said DeKalb County Superior Court Clerk Debra DeBerry.

The DeKalb Clerk of Superior Court partnered with NIC Services, a subsidiary of NIC Inc. (NASDAQ: EGOV), to offer the new payment options to citizens. The partnership operates under a self-funded model in which no tax dollars or county funds were used to obtain and maintain the payment service.

Citizens can now make credit/debit card payments for the following county services:

- Recording/filing fees
- Notary fees, land records, civil records

Credit or Debit cards displaying the Visa, MasterCard, Discover or American Express logo will be accepted.
