

**IN THE SUPERIOR COURT OF DEKALB COUNTY
STATE OF GEORGIA**

GEORGIA DEPARTMENT OF HUMAN SERVICES, ex rel

Plaintiff(s)
vs.

Defendant(s).

CIVIL ACTION FILE NUMBER:

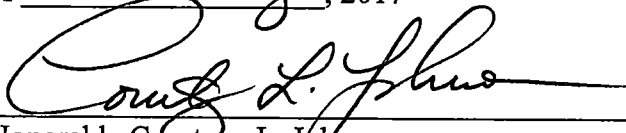

ORDER GOVERNING THE FILING OF PATERNITY TEST RESULTS

The above styled matter is an action to establish paternity. A possibility exists that the Defendant will request or has requested paternity testing. If paternity testing is required or ordered, to protect all parties, the filing of the paternity test is no longer required. As a substitute, a summary of the results shall instead be filed. If a party deems that the actual paternity test result is necessary for court review, the paternity results must then be filed under seal.

Accordingly, IT IS HEREBY ORDERED that any paternity test results taken as a result of the filing of this action shall not be filed with the Clerk of Court, unless under seal. Instead, a summary of the results determining paternity shall be filed with the Court.

FURTHER ORDERED that a copy of this Order be filed with each and every child support action filed by the **Office of the District Attorney** and/or the **Georgia Department of Human Services** in which the paternity of a child or children is at issue at the time of filing or becomes an issue during the pendency of the case.

SO ORDERED this 3rd day of January, 2017

Honorable Courtney L. Johnson
Chief and Administrative Judge
Superior Court of DeKalb County
Stone Mountain Judicial Circuit
