**NOVEMBER 24, 2025**

**FOR IMMEDIATE RELEASE**

### **E-Recording Disruption**

**DECATUR** – On **Friday, November 21, 2025**, the Georgia Superior Court Clerks’ Cooperative Authority (“Authority”) ([www.gscca.org](http://www.gscca.org)) received information from the FBI regarding a credible and imminent threat against its IT systems. In an abundance of caution, the Authority initiated its attack defense protocol and has taken their system down to protect the Authority’s data and the data of all users statewide which includes the DeKalb County Superior Court Clerk’s Office. While the defense protocol is in place, the following systems will be unavailable:

- eRecording (electronic land-record recording)
- Notary application processing
- eCertification Portal (records request)
- Filing Activity Notification System (FANS).

Paper recordings will be accepted. The DeKalb County Superior Court Clerk’s Office will continue to provide updates.
